

Completion of Moore's \$30 Million Capital Campaign

We are delighted to announce that we have successfully completed our \$30 million Capital Campaign. None of this would have been possible without the support of our Board, our alumnae, foundations, corporations, and our many friends. To each and every one of our generous supporters: "Thank you!"

Moore launched its first-ever Capital Campaign in 1998 to purchase and renovate 1916 Race Street – now known as Wilson Hall, named in honor of then-Board Chair Penelope P. Wilson. Wilson Hall added 50,000 square feet of light-filled studio and exhibition space, updated classrooms and boldly designed meeting spaces. Early projects also included the Locks Career Center for Women in the Arts, Fox Commons and McCulloch Media Room.

Over the years, led by Moore's Board and alumnae, the College has raised money for the Capital Campaign through a variety of special fund-raising initiatives, including:

- Diamond on the Parkway Celebrations 2000 and 2001
- "Made at Moore" celebration of the opening of The Art Shop Celebration 2002
- Alumnae Cards of Art
- Alumnae Residence Hall Campaign, including "Light" post card sales during Reunion 2006
- Visionary Woman Awards 2003 and 2004 (proceeds of the Visionary Woman Awards now benefit the Visionary Woman Scholarship Fund)
- Endowed Scholarships
- 160th Anniversary Celebration
- Kresge Challenge Grant 2008

CAPITAL CAMPAIGN

Please join us in thanking the many people who helped us achieve success through generous gifts and pledges.
