

Proficiency Credit

Last Name: _____

ID#: 987- ____ - ____

First Name: _____

Students at Moore are afforded the opportunity to earn proficiency credit on the basis of life experiences assessed through a portfolio review and formal interview by the relevant Department Chair. Additional forms of assessment, including but not limited to exams and written work, may also be utilized to determine proficiency if deemed necessary by the relevant Department Chair.

- Up to 6.0 credits may be granted towards the BFA and Post-Baccalaureate degree requirements
- The relevant Department Chair will determine which required credits, if any, may be granted
- Students will be granted credit but the credit will have no impact on the student's GPA
- All proficiency credits will be posted on the student's transcript
