Articulation Agreement Contract

**Between Moore College of Art & Design
Bachelor of Fine Arts in Fashion Design
And
Harcum College
Associate of Fashion Design**

Moore College of Art & Design (Moore) and Harcum College (HC) are entering into this agreement in order to facilitate the transfer of students who have earned the "Associates" degree in Fashion Design from HC. The articulation provides entry into Moore's Fashion Design Program with junior level standing and transfer of credit under the guidelines below:

- 1 HC students successfully complete the courses as described in the attached document and attain a minimum cumulative grade point average of 2.5.
- 2 HC students' application for admission and consideration for advanced standing in Moore's program covered under this agreement must be supported by a letter of recommendation from a faculty member of the Fashion Design department at HC.
- 3 Students must follow and complete the application procedures as outlined in the Moore College of Art & Design catalog.
- 4 In accordance with Moore College of Art & Design Admissions requirements, a portfolio of artwork must be submitted for review by the Admissions Office. The admissions portfolio must contain between 8 and 12 pieces of artwork as required of all BFA applicants.
- 5 A grade of "C" or better is required for transfer of credit in all courses. In order to transfer with advanced standing, students must complete the recommended course work at HC which parallels Moore programs as outlined.
- 6 Maximum allowable number of transfer credits applied from HC toward the BFA degree at Moore is 76.0 credits.
- 7 This contract will be mutually reviewed on a year-to-year basis to determine if adjustments should be made. Amendments to this agreement may be renegotiated when necessary for the improvement of transfer procedures. The Academic Council (or the equivalent of that council) at each institution should be notified in writing of any changes to courses or programs that might affect this agreement.
- 8 HC students will be considered for financial aid and housing on the same basis as other Moore students. Specifically, HC students would be eligible for grant and scholarship money based on their G.P.A. and portfolio on the same basis as Moore students.
